

1ST FLOOR FIRE EVACUATION ROUTE

Fire Exit

Fire Alarm Call Point

Fire Escape Key Box

Evacuation Route 1 → : Go down the stairs and exit through the main doors.

Evacuation Route 2 → : If the stairwell is blocked:

1. Take the fire escape key from the box
2. Unlock the hallway door marked with the green arrow
3. Continue straight to the door at the end of the hallway
4. Go through the door and exit via the metal stairwell fire escape.

Once you have exited the building, proceed to the assembly point located in the front car park.
